5th April 2010
Dear Member

Outdoor Practice Nights

Monday night practices are to start on 19th April, these are for all age groups from 7 years to the under 15s and are to be held from 6 p m until 7.30 pm for under 7s and 9s, and 6.30 – 8 pm for the under 11s,13s and 15s, each Monday, Bank Holidays excepted. Coaching sessions for the under 16s years and upwards and Senior Members will be on Thursday evenings and will start on the 21st April 6.30 pm – 8.30 pm.

Fixtures

Apart from the usual senior weekend fixtures, teams have been entered for this season in the Aylesbury & District Midweek Leagues for Seniors, Under 17's, Under 15s, Under 13s, Under 11s and under 9s., Details of fixtures and names and contact numbers of Group Leaders will be posted in the clubhouse at the start of the season.

Subscriptions

Fees for the 2010 season are **NOW DUE** and enclosed is a Renewal Form which we ask you to complete and return. We will ask you to fill another form with more detail (further contact numbers, special needs etc.) when you come to the club, to comply with Health and Safety Regulations. The Club's running costs have, like everybody else, risen again, but the Committee, however, have decided that in order to encourage young people to play cricket, fees for Junior Members will stay the same this season -£30 for the first child of a family while still a student and £10 for each further child. Next season the subscription for further children will be reviewed,

Help Needed

Without the help of families and friends of our juniors and senior players, the Colt's section would not be able to function, I would like to take this opportunity to thank those who have helped in the past, hope they will still continue this year and that anyone who is able, will come along and give us a hand this season, whether it be on the field with the youngsters , at matches or around the clubhouse - your assistance would be much appreciated. Currently we are looking especially for somebody to help with our 9s as Ed is unable to spare the time this year to look after both the under 17s and the small ones. Even if you are unable to commit yourself on a regular basis any help would be thankfully received. Also help would be much appreciated with the Admin on Monday evenings- checking in new members and making a note of those present etc.

Clubhouse

Unfortunately we had water damage in the clubhouse during the winter, but the good news is that this will mean a much improved one when the work is finished. Due to problems with the insurance, work has been delayed and it may mean that the clubhouse will not be open for the 19th, but we shall be there and I am sure we will find a way of providing some seats and refreshment if required. If you have any queries about any matters please don't hesitate to get in touch with me.

Looking forward to seeing you soon

Toni Russel
